Job's Daughters?

What's that?

Job's Daughters is a girls' leadership organization. The members learn important life skills through planning and participating in service and fun activities. We are more than 30,000 girls in five countries who share a common bond.

The International Order of Job's

Daughters combines the unique qualities that today's young women expect from an organization in which they invest their time . . . fun, friendship, helping others and training in leadership, speaking and reverence for Sacred things.

If you are, or soon will be, at least 10 years old and are no older than 20, you are probably eligible to be a member of our organization.

Local groups called Bethels offer:

FUN... We offer something for everyone . . . swimming parties, dances, sleepovers, parades and travel.

FRIENDS, good friends... By working closely together, you will make new friends that will last a lifetime.

SERVICE TO OTHERS... Throughout the year we perform service projects to help our communities. We also have our own charity. HIKE- Hearing Impaired Kid's Endowment fund which offers assistance to all children who may be suffering challenges with their hearing.

LEADERSHIP... By holding various offices in our Bethel you will gain leadership experience, be a part of a team and learn democratic principals. Our members elect their own officers, make their own decisions about what the Bethel will do and we plan our own events. Also you will improve your planning and organizing skills.

POSITIVE OUTLOOK ON LIFE... There is a greater purpose for life. Job's Daughters provides guideposts for enjoying life more and living it in a meaningful way.

SELF-CONFIDENCE . . . As you serve as an officer in our Bethel, you will gain confidence in speaking before a group, presenting ideas and information to others, and seeing the results of a job well done.

FUN, FRIENDS, HELPING OTHERS, LEADERSHIP, A BETTER UNDERSTANDING OF LIFE, SELF-CONFIDENCE . . . These all make for a fulfilling experience for you in Job's Daughters. During the year, you will have a wide range of experiences that prepare you for the future.

And there is no better way to gain those experiences than with Job's Daughters.
