## Grand Guardian

Sarah Vanneman-Maskovich 2022-2023

Wow! What a year and a half it's been. We all know how it started (a big mess if I'm being honest) and it's ending with a happy ending. I have been humbled and honored to be your Grand Guardian this year.

We started out our reign (it's a really cool word and I wanted to use it somehow) in Chamberlain, South Dakota. The first thing we did as a Grand Family was attend Grand Lodge in Pierre, South Dakota. The girls and Tyler and I had a blast at the Mystery Murder Dinner, and we were proud to give our speeches and put the word in the ears of all the Masons that we needed their daughters, granddaughters, nieces, neighbors and I even said we would take their wives as CAV's.

My next great adventure was to Supreme in Port Huron, Michigan. It was the trip of a lifetime, and I am so glad that I got to spend it with Sally, Toni, Jessica and Roman. We listened to two amazing books on the trip and Roman tried to dutch oven everyone several times. Arianna ran for Miss International, and it was fun to see her compete. It was also amazing to take several day trips and explore new places. One of the most fascinating places was Frankenmuth, Michigan. A German town with Bavarian-style architecture. We took Sally on a carriage ride around the city and stopped in several shops along the way. My favorite place was Raven Café in Port Huron. It is based on Edgar Allen Poe, and it was filled with books from floor to ceiling! Thanks, mom, for the trip!

After we got back from Supreme a big change in my life came around and I was accepted to Nursing School in Sioux Falls, South Dakota at the University of South Dakota. The funny thing about this is that I never imagined being Grand Guardian and going to school at 42 for a new degree would be happening at the same time. When I ran for Grand Guardian all those years ago it never even crossed my mind. I will say it wasn't easy, but I wouldn't have traded it either.

We went right to Jobie Bash in October along with the Miss Job Pageant. We didn't have any candidates this year (hopefully we have brave girls come this year), so it was exciting to ask Arianna and Mollie to remain Miss Job and Miss Congeniality for our year. At Bash we had a mystery dinner which all the girls loved, and we also had our Grand Reception there. It was great to have one big reception for Kyleigh, Arianna, Mollie, Tyler and I. It really held to the spirit of us being a family.

Grand Chapter was our next big adventure. Kyleigh was initiated into the Order of Eastern Star and that made her 5<sup>th</sup> Generation. Our Masonic families are so important to us and it is of great need that we need to teach the girls that the next step isn't so scary but rewarding with all the new Brothers and Sisters we get out of joining along with continuing our education in the Masonic Family.

Kyleigh and Arianna spent a lot of time on the phone getting to know one another and they genuinely bonded like sisters, and it was great to see what these girls mean to each other. Little did we know those girls were up to something. Shortly after this the girls came to Tyler and I with a plan to get their Majorities together at Grand and we started working out and checking bylaws to see how we could make that happen.

The road closures and the winters in South Dakota are unpredictable and it just so happened that mother nature decided she was going to be in charge this year. While Tyler and I didn't get to travel much, we still feel like our year was full of successes. Most of the bethels initiated new members and our year was all about bringing this organization back and working on membership. This is one goal I am happy to report. As a matter of fact, our home bethel just initiated 6 girls on Friday, and I am so happy we seem to be making a comeback!

Krista, without your friendship and unwavering support I'm not sure I would have made it to this point. You were always a phone call away willing to help with anything! You were a sounding board when I was frustrated, and you were filled with ideas when I was drawing a blank. It was nice to share a brain for a few days before Grand, but we won't get into that here (just know that Krista and I are magic). The grand line that I had was truly amazing. Thank every single one of you for your dedication to this organization and your trust in me. It helped me get through some rough patches when things just weren't going to plan. Matt, you, and Krista will make an amazing team! You both give with your whole heart and are willing to step in and help with anything that needs doing and for that I will cherish our friendships forever.

Tyler, I couldn't imagine going through this with anyone else. You are a great friend, an amazing Jobie Partner, an excellent tote carrier and anything else that I could possibly dream up you were there with your unwavering support. You held me up when I needed it and you were always willing to lend a hand (or your cash) when I needed it, and for that I am forever grateful to you.

Sally, you are truly an amazing person. I look up to you and rely on you to set me straight even when I don't want to hear it. This Grand Session wouldn't have gone this well without your amazing personality, skills, and love for me. I know this deep down in my soul. You make me a better person and I am a better person just for having you in my life.

Mona, Julie and Andrea, wow, where do I even begin. Mona and Andrea, you stepped in to take over my beloved Bethel 10. Andrea, I always knew you would make a great Bethel Guardian and boy did you prove me wrong; you are a fantastic Bethel Guardian, and the girls absolutely adore you as do we. Mona, you helped to encourage Andrea, drive her back and forth to Pierre and you have become a member of our bethel and I'm not sure you have fully realized that. Just know that we aren't giving you two up and this is now your home. Julie, Julie, Julie. Where do I even begin. You have been a best friend to me for years. You have encouraged me and volunteered to make

all the things I wanted for Grand Session come to life. I know that you promised Aaron that you would not take another position as a Grand Officer, and I am so grateful that you didn't tell me no when I asked. Your prayers and dedication to me and this organization is something I will strive for until my last days.

Sandy, Mom, My Rock, My True Lifelong Best Friend and the greatest grandmother ever. You have supported Kyleigh and I for our whole lives and we know that no matter what you will be there to help. This year, I have talked to you daily and sometimes several times a day and each and every time I could count on you to tell me the facts, the truth (some of them hard) and the reality of what you expected of me. You truly put this Grand Session together. You made my dreams come true and for that I can never repay you. As your daughter, I think sometimes I take it for granted or forget just how much you take on, but you always make everything amazing, and I couldn't have done any of this without your support, love, and encouragement. I always knew you were an amazing mother, but this year has taught me that you are truly a best friend as I get older, and I can always count on you to make my dreams come true no matter my age. I know that you are stepping down as Treasurer and moving to the Board of Trustees, congratulations on your emeritus status. I love you mom and I am so proud to call you that.

This is the end of my reign (see, I got to use it again). I am signing off and handing the torch to Krista where I know she will take it far!

With All My Love, Respectfully Submitted

GG Sarah + AGG Tyler,

It's an honor to have been your Vice Grand Guardian and Vice Associate Grand Guardian this year. I know there are times when it was hard and you questioned your sanity but you did your very best and it was great!

If I take it way back to April 2022, at our GGC Meeting, I was so excited when the GGC approved the expense of the Fearlessly Kind training. I started that certification process right away! It was more than just information but really an opportunity to learn more about what girls in our world need when it comes to social and emotional development. I am SO looking forward to hosting these around our state. Grand Session in Chamberlain went well, thank you Sarah for stepping in to help Glen and the GGC make it happen. Matt and I also attended the 45-day meeting in Pierre in July. In October came the return of Pierre/Jobie Bash! I was unable to attend but it was nice to get back to some regular events and it sounded like the girls had a blast!

This last winter was a tough one as it canceled many events across the state including our Winter GGC Meeting. Because we didn't meet in person, and I wanted to check in with all the Bethel councils, I held zoom meetings with all but two Bethel Guardians. And I look forward to connecting with those two Bethels this summer. It's the job of the GGC to help support our Bethels and BGC's so it was nice to hear about what challenges each Bethel was facing specifically. My plan is to use that information to determine what each of our Official Visits look like this year. In April, we attended the Annual Grand Guardian Council meeting in Pierre. We are both so honored to have the opportunity to serve the Job's Daughters of South Dakota as Grand Guardian and Associate Grand Guardian. We know that this journey isn't going to be all sunshine and rainbows, we are excited to get to spend time with the Jobies.

Thank you to all the Bethels for participating in this year's Pizza Ranch/Pizza Hut fundraiser. I know that the weather was a huge challenge this year, but that is why this was given almost 5 months to finish. I sent out and e-mailed the first letter in mid-November 2022. The deadline was March 31, 2023. I also sent out, in early March, a reminder by email to the contact that I had for that Bethel, along with their Grand Deputy. I heard back from only Bethel 12. I did get a check from Bethel 38 at the end of March.

Just a few thoughts: I know that as we get smaller as a state, it gets harder for the Bethels to raise the money. I know what works in one part of the State may not work in another. We might want to look at the same fundraiser every year, that way we are not reinventing the wheel all the time. It can also be known as a Job's Daughters fundraiser. I don't know what the answer is for this.

## Grand Marshal Report 2022-2023

Grand Guardian Sarah, Associate Grand Guardian Tyler, and Grand Guardian Council:

My Grandmother often shared a quote from John Lewis, "If not us, then who? If not now, then when?" One year ago, after I was nominated for the position of Grand Marshal, my first thought was, this is not the right time. Then I heard my grandmother's voice, loud and clear, "If not you, then who? If not now, then when?" When I accepted, I had no idea that Todd would then be nominated to go up the line with me. If not us, then who, if not now, then when, really came to life.

After Grand Session 2022 we attend Bethel #12 Installation where our daughter as installed as Honored Queen. We then attend the 45 Day meeting. All was pretty much quiet until September.

I served at Bethel 12's Guardian Secretary and pretty much kept busy with their activities. 3 of our members attended Pierre Bash and many fun memories were made. Our numbers are small, but they are so much fun and work well together. We support our local Masons and we are very fortunate to have Olive Branch Masons support us as well. In April Bethel 12 turned 75 years old. He held an open house to honor the occasion. While turn out was not what we had hoped for, it was great to see those that did come and celebrate with us.

I am also Chair of this year's competitions at Grand. When Sarah asked me to do this years ago, I had no idea what it entailed and no clue as to why she would trust me to be the Chair. The last few months I have been working with my committee and finding new competitions while keeping some of the traditional competitions. It was quite an undertaking, but I believe we worked well together and are hopeful that we will continue to search out new and fun competitions for our members.

The last couple of weeks I have been working on the Flag Ceremony. This has been a challenge as at times my mind has these great ideas but when it comes to putting it on paper it just doesn't look as good. I am thankful that the Grand Marshal's book is still available and as I flipped through the pages to see what Past Marshals have done, I realized I did not have to reinvent the entire wheel and was able to use their words and put my thoughts together.

Todd and I have been discussing our term and while no plans have been set we have some new ideas for Grand Session that we will be looking into. It is important to us to hold a session that is fun for the members, fun for the adults, gets the work done and is also cost effective. We have also been discussing different fundraising ideas knowing that it is hard on our girls, especially the bethels with just a few members. We will be offering several opportunities for fundraising so that members can pick what best works for their bethel.

I will close by saying, Thank You for your support and encouragement and thank you to Todd for listening to all my ideas and keeping my crazy to a workable level. It has been an honor to work with you this past year.

## Grand Outer Guard Report 2022-2023

Grand Guardian Sarah, Associate Grand Guardian Tyler, and Grand Guardian Council:.

After Grand Session 2022 I attend Bethel #12 Installation where our daughter Amelia was installed as Honored Queen. Carla and I next attended the 45 Day meeting.

I serve as Bethel 12's Associate Guardian and have kept quite busy with their activities. 3 of our members attended Pierre Bash. In April Bethel 12 turned 75 years old. We held an open house to honor this occasion. We support our local Blue Lodge and we are very fortunate to have Olive Branch 47 support us as well. We recently painted the Fellowship room, which provided Olive Branch 47 with a fresh look and gave our daughters experience with interior painting.

Carla and I have been discussing our term and while no plans have been set we have several new ideas for Grand Session that we will be investigating further.

I assisted the Grand Marshal with the Flag ceremony for this Grand Session. I worked closely with the Grand Marshal preparing her duties and reports.

I will close by saying, Thank You for your support and encouragement. It has been an honor to work with you this past year.

Respectfully submitted,

Budget reserve contributions means we used our current assets to offset a deficit between income and expenses							
HIKE pass through is for when checks are made out to GGC instead of HIKE. We then pass those funds directly to HIKE.							
At the end of a session year we may or may not have all of the session income and expenses in our books. Some may not appear until July.							
Jobie U only needs to break even - it's not a fundraiser event.							

## Grand Librarian's Report

2022-2023

This year I received three (3) JDI Ritual Knowledge Courses to correct. One was a contestant for the Miss South Dakota Job's Daughters Pageant that was to have been held in October 2022, and two applicants for Grand Bethel Senior Princess.

The Grand Librarian's Contest theme for this year was "Inspiration". I received one entry this year for the contest, from Anna Lambertz.

I would encourage all members, girls and adults, to participate in the contest next year. It is very disappointing to have so little participation in a contest that allows the participant's true self to show through.

Thank you for the opportunity to serve as Grand Librarian this year.

Respectfully submitted,

Andrea Friedrichsen

RP, BG Bethel 10

The square and compass represent a Brotherhood that has survived over the ages. These ties are important to us, as masonry is the lifeblood that our wonderful order is based on. Without Masons, we would not have Job's Daughters.**

### **DeMolay Flag**

**Narrator: The DeMolay Flag is presented by Albert Key, State Master Counselor of the Order of DeMolay of South Dakota.**

*Flag bearer presents the flag west of the Alter.*

**The field of white in the DeMolay flag symbolizes purity and the cleanness of thought, word, and deed. It reminds the DeMolay of the works of the psalmist who prayed, "Create in me a clean heart, oh God." The three diverging red stripes which pierce the field of white, represent the basic tenants and foundations of DeMolay. Those being: Love of God, Love of Home, and Love of Country. They diverge through the white to symbolize that these tenants should be spread throughout one's lifetime. The red is emblematic of courage, and reminds the DeMolay of the many sacrifices our nation's youth has made in defending the liberties we enjoy as**

All other officers or committees will either read or submit their reports at the 45 Day meeting.

Introductions included Larry and Michelle Jensen, Supreme representatives, here to assist with our membership issues. They met with Sarah, Tyler, Matt and Krista and shared lots of ideas. Among them were to be innovative and think outside the box. Talk to the girls. Have patience. The issue with insurance is being investigated to see if we can do an alternative that would allow more options for activities. The goal for the next year is to have a statewide gathering of some kind four times in the next year, not including Grand session.

New Business:

Sandy and Lyn are working on books for audit.

There was discussion as to where the proceedings should be published. Flash drives should be purchased, and one given to each Bethel, as well as the Proceedings be published on the website. Larry Jensen warned to be careful about non-profit laws when publishing financial information.

SD GGC Minutes 6-10-22 cont. Page 2

Dues forms with updated contact information needs to be completed by everyone, with all information compiled into a directory.

Handbook revisions will be done by the GGC line officers and corrections need to be in by the 45 Day meeting.

There was discussion about the HIKE auction and ideas for next year. Matt Johnson will be responsible for the HIKE auction next year with the help of Julie Bartekoski. There needs to be a minimum bid on all items. Also there needs to be a "girls only" table with smaller bid items so the girls have a chance to acquire some auction items. Too often girls were outbid by adults and had no chance to win.

The bylaw changes to be voted on at Supreme this year have been published. Please read them. They will be discussed at the 45 Day meeting.

Krista made a motion to pay for all CAV renewals and applications that are submitted for reimbursement within 60 days of being approved. Motion carried.

## SD GGC 45 Day Meeting Minutes 7-23-22

### Pending Approval

The meeting was called to order at 10:09am with attendance as per attached attendance sheet.

Opening prayer was given by Grand Chaplain Colleen Patmore.

A quorum was established, and the agenda approved. Introductions were given around the room.

Minutes of the 6/10/22 meeting were approved with corrections. There were no communications.

The Grand Treasurer presented the 2021-22 actual budget numbers as well as the 2022-23 approved budget. The 21-22 Financial report showed all CD's have been cashed in and funds put into the General Fund, leaving the Mainstay Investment account.

Reports were discussed and are to be turned in to Grand Secretary electronically or in written form as soon as possible. Several reports have already been turned in. Krista and Kaylene discussed their fundraisers. Kaylene expressed her disappointment in so many fundraisers all at once. Her coffee fundraiser only netted \$64.17. She will try it again in the fall this time. Flags and Medallions was discussed explaining that the tote has been misplaced along with the Grand Officer medallions. Dawn has medallions left over that can be used for Ritual competition next year. Karen read the Session Report. It was noted there should be a report from GG Julia included in the proceedings as she was GG from June to February prior to stepping aside for medical reasons. It was noted that Katrina Hosley has the Flags and Medallions tote.

Old Business: The Bethel Handbook has had no responses so far, from Bethels or individuals. Due date has been extended to September 24<sup>th</sup> for input. It's important for Bethels and Councils to go through this handbook as it's a great learning tool. It was recommended that references to specific bylaws be deleted with the many changes being proposed to the bylaws.

Krista gave a presentation about the Band app, a communication system in use by a couple of Bethels. It can be public or by invitation only. Could be used by any Bethels who would like to use, as well as the state with the ability to have up to date calendar, notifications, picture albums, contests, and so much more. Krista will do zoom trainings. It was decided to go ahead and set up a Band app for the state, and Bethels will be optional to each Bethel.

Websites: There was discussion about the fact that certain people are still having issues getting into website. The point was made again that we have nothing to hide. Issues are not Jen's fault. It was determined the adult listing of contact names, addresses cell needs to be on the website with full access for the public. Address changes should be sent to Grand Secretary. Jen will distribute her website updates and any additional changes should be to Jen by September 24<sup>th</sup>.

Old Business: Sandy has the directory done. Great job! A hard copy has been sent to every Bethel Guardian. Note that there are some dates included and there may be some changes.

Committee Chairs: There are some totes missing and not being passed on to next chair. If you are a chair be sure to include the others on your committee when going through the year. Communicate and teach what they need to know going forward. There will be the opportunity for committee meetings at all upcoming GGC meetings. Jamie Somsaath has the Pageant tote we believe.

SD GGC Minutes 7-23-22 Continued page 2

## SD Board of Trustees Meeting

9-25-22 Via Zoom

Pending Approval

The meeting was called to order at 7:08pm CT with Chairman Sally Richardson, Sarah Maskovich GG, Kim Miles, Bobbie Deuter PGG, Jen Blake PGG, Kennedee Miles, Tyler Peoples AGG, Krista Vandernick VGG, Matt Johnson VAGG, Sandy Vanneman Gr Treasurer and Lyn Neiman Gr Secretary in attendance.

Kim opened with prayer.

Old Business – None

New Business –

Checking balance currently is being looked into by Sandy.

The audit report was given to Sally, Sarah and Lyn and will be forwarded to all Board members.

Sarah read the report. Books looked good. Quick books outdated as well as Windows. Current windows won't support updated Quickbooks. There was discussion as to replacing both Secretary and Treasurer computers. Funds would need to be taken from Mainstay Funds for paying bills in budget as well as computers. Sandy will look into costs and if we can wait until start of next year and make one withdrawal.

Sarah asks if the GGC will pay the registration for Bash for any Prospects. Cost is \$25 and includes lunch, dinner on Saturday and breakfast Sunday am. Girls staying at Center if they want to. There will be no Pageant as only one girl indicated an interest. Sarah contacted all Guardians to verify no additional interest. Going to hold a mock pageant with names drawn for girls to participate as well as judges from adults attending. Purpose is to educate girls what to expect for Pageant in future and hopefully get more participation.

Sarah has decided to keep Arianna as Miss for the next year, and she has agreed to do so. It is important for her to travel. It will be ok for Mollie to continue as Miss Congeniality as well if she wants to.

Sarah has signed contract from Ramkota, Pierre for Grand. Rooms will be \$103 per night. Sarah will forward the contract to Board members.

Sarah has changed the login for the zoom account from Dawn Erk's email to the new Grand Guardian email ([sdjdGrandGuardian@gmail.com](mailto:sdjdGrandGuardian@gmail.com)).

Dates for Grand are not ideal but will have to do the best we can. These dates best for attending Grand Lodge and for Bobbie Deuter who will be Grand Bethel Guardian.

Kaylene is working on venues for Grand 2025. Also working on fundraising.

Krista has talked with Kaylene and her plan is to have each Bethel hold their own Pizza Ranch Fundraiser with proceeds going to GGC. More to come. Krista has been in touch with a couple venues for Grand 2024 but waiting to see 2023 contract to ensure she has covered all needs.

Board of Trustees 9-15-22 Page 2

Sandy will talk to Ramkota while she is there for Grand Chapter.

Payment for Prospects at Bash shall be taken out of promotion budget. Sarah will include information with Bash information to all. To be reimbursed, Bethels can submit to Promotion committee for reimbursement for Prospect registration if they are honestly considering membership. Bethels must have enough chaperones to cover all girls they bring. It will be up to Bethel Guardians to determine if Prospects are truly interested.

Kim gave the closing prayer.

The meeting was closed at 8:00pm.

Arts & Crafts Committee Report

2023 Grand Session

June 11<sup>th</sup> – 14<sup>th</sup>

Ramkota Hotel, Pierre SD

This year at Grand Session we had 8 entries in the Arts & Crafts show. All of the entries were fantastic. One painting was auctioned off (then regifted back to the organization & auctioned off a second time) during Formal Banquet, with proceeds going to HIKE. Both auctions brought in more than \$1000.00 to be donated to HIKE! All 8 participants were given a "Thank you for Participating" certificate, a sketchbook, and colored pencils.

We tried something new this year. Carla Knudson gave me a flier from the State of Wyoming. At their Grand Session, they have an apron contest, where individuals, bethels, etc. design their own apron and wear them during formal banquet with prizes given in 4 different categories. Not having all the details and it being something new, we did our best, tried it and I think had pretty good results. Four bethels made aprons for themselves and wore them at formal banquet. Prizes of "Smores Kits" (a package of graham crackers, bag of marshmallows, and Hershey Bars in a small Rubbermaid tote) were given to each of the 4 bethels that participated. Given the opportunity, I could see this going places and being a lot of fun at future Grand Sessions.

I didn't have any information about Arts & Crafts as this year's chair, so I did the best I could and "wung" it. I feel that having some guidelines and references/suggestions passed onto me about how things have been done in prior years would have been very helpful and caused less anxiety for me. I'm not sure if there's something like that in place or not but created a binder to pass onto Gennifer Randolph, the 2024 Chair. I included helpful hints, examples of the things I did, and some suggestions of changes I feel would be helpful going forward.

Respectfully Submitted,

Do you worry about your formal wear at our banquets?

(I do!)

Bring an Apron to cover your dress, tux or suit!

We are having an Apron Contest at Grand Session this year.

Wear them at Formal Banquet and at the Awards Banquet to protect your finery!

Make them as a Bethel.

Buy one. Repurpose one.

Buy bulk and decorate them.

It is all up to you and your Bethel!

Awards will be given for Bethels and Individuals in the following categories:  
Creative, Unique, Use of Theme, Use of Fun Symbol.

Don't Stress! Have fun!

September 5, 2023

Grand Guardian, Associate Grand Guardian, Grand Guardian Council,

Thank you for allowing me the opportunity to audit the books of the Grand Secretary and the Grand Treasurer.

I found the books to be in good order, though a few adjustments were needed. The adjustments were as follows:

1. An adjustment was made to the Grand Secretary's ledger to reduce a payment from Bethel #12 from \$25.00 to \$23.37, an adjustment of \$1.63, to reflect the actual amount of the check and to balance the deposit as reflected on the bank statement.
2. An adjustment was made to the Grand Secretary's ledger to reclassify an entry. The original entry was for \$938.00 to Grand Session Registration. While the payment was for a total of \$938.00, only \$928.00 was for Grand Session Registration and the additional \$10.00 was for Flags and Medallions. The Grand Secretary correctly applied the \$10.00 to Flags and Medallions, but incorrectly applied the adjustment to an expense account. The correct adjustment would be to reduce the income to Grand Session Registration as a deduction so as to not overinflate the organization's income and expenses.
3. An adjustment was made to the Grand Secretary's ledger to move the voided checks that had been issued to Grand Lodge and Grand York Rite from newly created account codes to the code the payments had originally been made from.
4. An adjustment was made to the Grand Treasurer's ledger of \$84.10 to move expenses from the GG Council Expense category, sub-category Grand Session Expenses, to the Grand Session Expenses category, sub-category Grand Session Expenses. This adjustment aligns all Grand Session expenses within the same accounting codes and balances with the Grand Secretary's ledger.

In auditing income and expenses, after the above adjustments, I found both sets of books to record total income from July 1, 2022 through June 30, 2023 to be \$20,425.68 and total expenses to be \$21,458.00 for a net loss of \$1,032.32 for the year.

I would offer a couple of suggestions for the SD Grand Guardian Council. These suggestions are not recommendations requiring action. However, they are suggestions that would help the Grand Secretary, Grand Treasurer and future Audit Committees to work better together.

1. The account structure / chart of accounts should remain balanced between the two sets of books. One officer should not create new account codes unless both officers are in agreement and codes are created across both sets of books.
2. The category and account structure should be reviewed and cleaned up. The structure is confusing, with identical account descriptions in multiple categories. The chart of accounts could be greatly simplified, making everyone's jobs easier.

3. Finally, communication between the Treasurer and Secretary is incredibly important. may be helpful if bank statements were shared between both officers so each could reconcile income and expenses against the bank. Adjustment #1 above would have been found by the Grand Secretary through a reconciliation of her books to the account.

Again, I appreciate the opportunity to perform this service for the SD Grand Guardian Council. My commitments elsewhere will prevent me from performing the audit going forward. I wish the organization success in the future.

Awards Committee Report for 2022-2023

We had the following submissions:

Amethyst Award – None

Degree of Royal Purple – Laura Brown, Bethel #38, Sioux Falls

Lily of the Valley – None

It was disheartening to see only one submission overall. We have adults who are very deserving; who work tirelessly to keep our bethels alive and active. It was very discouraging to not have any submissions for the Lily of the Valley award. We need these young ladies, as they reach their Majority, to help us in our bethels. I know that it is hard for a lot of them because of school and work commitments. But we need to encourage them to stay and be involved. Once I hit my Majority, my dad started to call me, along with the friends I had made in Job's Daughters, "Senior Jobies". We need these Senior Jobies – the bethel daughters & prospects seem to relate more to them, then to the adults.

In closing, I want to thank Sarah and Tyler for giving me this opportunity. I enjoyed receiving and reading through the wonderful letters of nomination and recommendations for Laura. It is amazing the amount of time and work this wonderful lady put into her bethel as a Job's Daughter and to be involved once her daughters joined this wonderful organization.

Sincerely,

## CAV report

Sept. 29, 2019 was the last training held in SD. As of the March list we currently have 84 trained CAVs plus 5 residing out of state. Since all training is done on line now, I have no idea how many people have taken advantage of the on-line-training.

Virtual Training is the only method of training now. The training staff has been reduced and all of the scheduling for classes is done on line. To sign up for a training class go to: [Jobsdaughtersinternational.org](http://Jobsdaughtersinternational.org), click on the sandwich menu (3 little lines) in the upper right corner, click on **Youth Protection** and then **Class Registration**. Then you may choose your class from the ones listed (be aware of time zones when you choose). Classes are 6 hours long and you must not leave the class.

There has been a problem with people not believing that they are mandatory reporters and therefore not doing their job. This section will be dropped from the actual training and become a separate Mandatory reporting class that will also be a 2 hour class done on line and a certificate will be required to be sent in.

The online renewal will continue as is for now. Eventually my position will be eliminated and everyone will be responsible for their own. The rules stay the same as far as getting renewals in on time. I will continue to send an email reminder to everyone at the beginning of the month 90 days in advance of the renewal date. I have also been sending a reminder at 60 days. If anyone shows up on the list of the month they are due I send a reminder but sometimes it is too late by the time I get the list so it is up to you to pay attention. You should be getting a printable card when you renew. Further down the road all of the reminders will be done automatically.

## **Report from the Committee on Promotion 2022-2023**

The promotions committee met in secret 200 times. The meetings were so secret that none of the members even knew about them. Rumor has it that if we had been there, we would have been sworn to secrecy and that if we revealed any of the happenings; we would suffer a horrid and extremely painful death.

We did receive one request for payment from a Bethel for cost to send information to the schools. The amount requested was more than the amount we had in our budget. It was decided at the annual meeting to cover that expense in full.

The Grand Lodge approached us with an idea. At a DeMolay Conclave that was held with members from other jurisdictions, one of the other jurisdictions presented all their new members with a nice backpack. The backpack had the DeMolay logo embroidered on it and contained some DeMolay promotion items as well as their "secret code book." The Grand Lodge put in their proposed budget for 2023-24, \$1,500 for each of the youth organizations within South Dakota. This budget was approved during the 149<sup>th</sup> Annual Communication of the Grand Lodge of South Dakota.

For us to claim these funds, we will need to have the backpacks completed and then submit the receipt to the Grand Lodge. We are currently looking into which logo to use, the official JDI Logo, with the South Dakota tag line, the more generic SDJD, or one of the other logos out there like the 3 daughters within the triangle. Once we decide that item, it will be time to find that promotional business that will print them for us.

As to what goes into the backpack, it is suggested that we include the following items:

Welcome letter from GG/AGG

Letter with HIKE information

Paper showing the multitude of acronyms that are used by the organization

Jobie keychain

Car decal/window clings

Ritual

The Grand Secretary would purchase paper of different colors, say light purple, green, yellow and white that would only be used for these kits. Whenever a Bethel would have an initiation scheduled, they would request one of these kits from the Grand Secretary. She would then print the letters and put them in the backpack and it would be sent to the Bethel to present at the initiation.

That's it.

Glen Rice, PAGG

2023 GRAND BETHEL REGISTRATION REPORT  
FINAL

Grand Guardian Sarah, Associate Grand Guardian Tyler, and Grand Council members all:

Registration was completed using the spreadsheets and ticket format from previous years. These forms are used to gather some of the credentials information; however, some of the categories are not listed on the registration form. You may wish to discuss how you want to accomplish that this next year so your Registration Chairman know how to proceed. There were a total of 80 registrations with 3 cancellations within the cancellation timeframe or 77 total. We had 2 cancellations after the cancellation timeframe and we tried to sell some of those tickets and provided what funds we could back to the individuals.

The registration bags were purchased at my expense from Bethel 44 from what remained after the 5-K HIKE last year. Instead of asking the officers for door prizes we asked for tokens for the registration bags. This seemed to go over very well and I want to thank everyone who provided items.

The name badges were printed and provided by the Registration Chair.

The only item of concern is the use of a separate person for registration of distinguished guests. This occurred last year and again this year. The Distinguished Guest Registration should be completed by the Registration Chair. This will eliminate any confusion and help to coordinate the meal numbers with the contracted facility. This year Grand Council experienced a loss of revenue for 3 meals due to this issue. To prevent this in the future, please considering using a single registration chair.

Grand Guardian Sarah and Associate Grand Guardian Tyler,

I was honored this year to work on the Scholarship and Education Committee. On February 9, I sent out an email to all the Bethel Guardians that outline the scholarship application process and included the application (attached). A few weeks later in March, I had Jen Blake send out an email to our email list. After only receiving one application, I extended the deadline slightly and sent a reminder to everyone to get applications turned in. At the end, we had one applicant, Mollie Brown from Bethel #38 in Sioux Falls who was awarded a \$500 Education Scholarship. She is very deserving and I'm excited to see where her future leads her.

Thanks

Krista Vandersnick, VGG

## Spirit Ambassador Report 2022-2023

Dear Grand Guardian and Vice Grand Guardian,

This year for the Spirit Ambassador Competition I had four young girls compete. Each of the girls that competed received the honor of being a Spirit Ambassador for 2023-2024.

After waiting all year for the binder that gets handed down each year to the committee chair, I finally received it at our meeting in April. I was disappointed to see that the binder had very little about what to do and how to hold the competition. Without knowing and it being my first time as the chairman, I did the best that I could do with the information I did have. I have included my information I came up with in the binder, but I think it is time to do some updating. This competition is to show spirit among the members of Job's Daughters and those individuals that do have the title should be aware of what they are supposed to do in the year. I know that their responsibilities are in the bylaws, but let's be honest; what young girl looks at the bylaws? This is why I printed them and put them into a folder for each of the girls so they knew what is expected of them as a Spirit Ambassador. Let's encourage more girls to run for Spirit Ambassador in the years to come as this competition gets them ready for future leadership roles.

Respectfully submitted,

Audra Tesch, PGBHQ, LOV

## **Amelia Knutson- Honored Queen Report**

**Fall 2022**

My term as Honored Queen of Bethel #12 started in June 2022 and ended in November 2022. We were dormant during the summer, but every year we help our local masons at their biker breakfast for the rally. We started holding meetings in September. We are under reorg, so we have one business meeting every month and then our second meeting date is usually a fun event or a prospect party to get our name out there. During my term we went bowling on numerous occasions and held a Halloween costume party and three of our members attended Pierre Bash. We had planned to do other things, but they were unfortunately pushed back into the next term. That pretty sums up my term, but I do have one other thing to state. We are trying to get girls in, but we are struggling, and I understand that it's that way for pretty much every other Bethel in our state. We need help. If you have any ideas that could help us move forward, we would greatly appreciate it.

## **Julianna Cano – Honored Queen Report**

**Spring 2023**

My term as Honored Queen of Bethel #12 started in November of 2022 and I am currently Honored Queen. We were going to do a Formal Movie as a Bethel but ended up not going due to weather and postponing due to other conflict. Instead, Me and Amelia just ended up going to a movie as friends. Bethel #7 from Gillette, Wyoming invited us to go bowling . Tye did not reserve the lanes so instead we ended up going to pizza ranch and ordered pizza and played some games. We did a traveling bake sale, where we go around to different businesses and selling bake goods. We did raise over \$500. For Memorial Day we went to the National Cemetery and helped placed flags. We did held a mason dinner; we served a spaghetti dinner. We also painted the dining room walls, with the Masons at the lodge. We will be holding Installation sometime in June. Attending Grand Bethel will be my last time as a Jobbie Daughter.
